

AGENDA

LACCC Government Affairs Committee
Tuesday, June 4, 2024, 8:00 am to 9:00 am
via ZOOM

The Government Affairs Committee is responsible for organizing community members with local, state, and federal government bodies and officials in areas of interest to our communities, and to promote effective cooperation between the communities and government.

GAC's purpose:

To keep members apprised of legislative issues that will affect all aspects of our communities.

To stay informed and keep members and government entities aware of local issues that may affect the quality of life in our communities.

To bring motions for actions related to such issues before the chamber board.
